

## Welcome to the latest edition of 'On Location'

### New studio area completed and earning it's keep

As you may remember from last year's edition of On Location, the Studio was nearing completion. Well now it has been up and running for several months and it certainly makes a big difference.

There have been quite a lot of shoots there, ranging from Cosplay glamour to family portraits and even baby passports.

## Cosplay Photography

A new string to my bow this year was the inclusion of Cosplay to my Glamour repertoire. This is photographing clients in the costumes of their sciencefiction heroes such as in this case Wonder Woman and Huntress from the DC comic world.

This was certainly a different type of shoot and as you can imagine, the possibilities are endless. So if you fancy having a shoot as your favourite Superhero then please get in touch. Further information on my website here: <https://www.glamourboudoirstudio.co.uk/cosplay-photography.php>

## Cake Smash

Last month I was asked to shoot a Cake Smash session at the last minute.... Help, I thought, I've never done one before.

But it was great fun and after a slowish start my little model was really getting in the swing of it and really taking it out on the Victoria Sponge. This is a type of photography that now I have tried, I would like to do again. It's messy but it's great fun.

### And finally for now.....

I have re-launched my boudoir and glamour website with a more modern look and easier to navigate menus. Please take a look at the new address <https://glamourboudoirstudio.co.uk/> where you will find newer pictures and ideas and perhaps, while you are there, go to the enquiries page and book a shoot.

Both sites also now have secure addresses for more security.
